## IDENTIFICATION

### Product Identification

- **Product Name:** Alredaa™ Disposable Bib Towels
- **Product Code:** BRP
- **Manufacturer's Name:** Alredaa Company for Industry
- **Manufacturer's Address:** street 13 - Industrial City (Modon) - Medina - Kingdom of Saudi Arabia
- **Emergency Telephone Number:** 1-800-123-4567

## COMPOSITION/INFORMATION ON INGREDIENTS

### Ingredient1:

Cellulose fibers Water as moisture

Dyes (colored product only) Dry strength agent (starch) Wet strength resin

Optical brightening agent

Minerals (calcium carbonate, palc ...).

### Ingredient2:

Polyethylene (Plastic)

CAS Number: Variable

Concentration: 10%

Hazards: Non-hazardous

First Aid Measures: No specific measures required

## HAZARD(S) INFORMATION

### i. First-aid measures

Eye Contact: *Remove foreign object and if required flush with clean water. If contact lenses are used, they should be removed unless they are stuck to the eyes.*

Ingestion: *Remove any material causing obstruction. No harmful effects expected. In case of excessive consumption, consult a physician.*

Inhalation: *This product does not contain any substances classified as dangerous for inhalation. However, and if required, remove individual to fresh air.*

Skin Contact: *Not irritant. No harmful effects expected.*

### ii. Fire-fighting measures

Extinguishing Methods: *Use carbon dioxide (CO2), dry chemical, foam and water spray.*

Notes for firefighters: *Wear self-contained breathing apparatus and full protective clothing. Fight fire from a safe distance. May react with oxidizing agents.*

### iii. Accidental release measures

*This product is not hazardous nor expected to cause a hazardous situation. If required, sweep or vacuum paper for disposal. Remove all sources of ignition. Avoid discharge into the environment. Prevent fabric or fiber from entering water drains.*

#### iv. Exposure controls/ personal protection

Individual protection measures (i.e. PPE): *Use adequate respirator mask (N95), safety goggles as required and safety shoes when handling goods. Before use, wearer must read and understand PPE "User Instructions".*

Ventilation: *Provide typical ventilation in storage and processing areas.*

Engineering Controls: *Disposal to ordinary landfill is satisfactory.*

#### HANDLING AND STORAGE

*Product not flammable under normal conditions of storage.*

*Keep in dry place with suitable room temperature. Do not expose to high humidity environment to prevent any change in the tissue physical properties.*

*Store away from oxidizing agents.*

*Store away from heat sources, open flame, hot surfaces and sparks. Take precautionary measures against static discharges.*

#### PHYSICAL AND CHEMICAL PROPERTIES

Basis weight (g/m<sup>2</sup>): *13.5 – 45*

Form: *Solid*

Odor: *Nil*

Melting point: *Not applicable*

Boiling point: *Not applicable*

#### STABILITY AND REACTIVITY

Stability: *The product is stable under proper operation and storage conditions.*

Hazardous reactions: *Avoid contact with oxidizing agents. Avoid heat sources, open flame, hot surfaces and sparks.*

Hazardous polymerization and decomposition of product: *Will not occur under typical storage and use.*

#### TOXICOLOGICAL & ECOLOGICAL INFORMATION

*This product is not toxic to humans and animals. Ecotoxicity is nil.*

#### DISPOSAL CONSIDERATIONS

*Dispose according to relevant national and local laws and regulations.*

#### TRANSPORT INFORMATION

*No special shipping instructions.*

#### REGULATORY INFORMATION

*No special information.*

#### OTHER INFORMATION

*The herein information is based on our best experience and knowledge.*
